Abstract of Proposed Collection
The Presidential Proclamation on the Suspension of Entry of Immigrants Who Will Financially Burden the United States Healthcare System (“PP 9945”) requires immigrant visa applicants to establish, to the satisfaction of a consular officer, that the applicant will be covered by an approved health insurance plan within 30 days of entry into the United States, unless the applicant possesses sufficient financial resources to cover reasonably foreseeable medical costs. Proclamation No. 9945, 84 FR 53991 (Oct. 4, 2019). Section 3 of the Proclamation authorizes the Secretary of State to establish standards and procedures for governing such determinations. *Id.* PP 9945 was signed on October 4, 2019, and emergency review of this information collection is necessary for the Department to prepare consular officers to implement PP 9945 when it goes into effect on November 3, 2019.

Abstract of Proposed Collection

The Presidential Proclamation on the Suspension of Entry of Immigrants Who Will Financially Burden the United States Healthcare System (“PP 9945”) requires immigrant visa applicants to establish, to the satisfaction of a consular officer, that the applicant will be covered by an approved health insurance plan within 30 days of entry into the United States, unless the applicant possesses sufficient financial resources to cover reasonably foreseeable medical costs. Proclamation No. 9945, 84 FR 53991 (Oct. 4, 2019). Section 3 of the Proclamation authorizes the Secretary of State to establish standards and procedures for governing such determinations. *Id.* PP 9945 was signed on October 4, 2019, and emergency review of this information collection is necessary for the Department to prepare consular officers to implement PP 9945 when it goes into effect on November 3, 2019.

Methodology

Consular officers will verbally ask immigrant visa applicants covered by PP 9945 whether they will be covered by health insurance in the United States within 30 days of entry to the United States and, if so, for details relating to such insurance. Proclamation No. 9945, 84 FR 53991 (Oct. 4, 2019). PP 9945 only applies to applicants seeking to enter the United States pursuant to an immigrant visa. If applicants answer affirmatively, consular officers will ask for applicants to identify the specific health insurance plan, the date coverage will begin, and such other information

related to the insurance plan as the consular officer deems necessary. PP 9945 does not suspend or limit the entry of applicants if they do not have coverage, but possess financial resources to pay for reasonably foreseeable medical expenses. Reasonably foreseeable medical expenses are those expenses related to existing medical conditions, relating to health issues existing at the time of visa adjudication.

PP 9945 does not apply to holders of valid immigrant visas issued before the effective date of the proclamation; aliens seeking to enter the United States pursuant to a Special Immigrant Visa, in either the SI or SQ classification; any alien who is seeking to enter the United States pursuant to an IR-2, CR-2, IR-3, IR-4, IH-3, or IH-4 visa; aliens seeking to enter pursuant to an IR-5 visa, provided the alien or alien's sponsor demonstrates to the satisfaction of consular officers that they will not impose a substantial burden on the United States healthcare system; aliens seeking to enter the United States pursuant to a SB-1 visa; any alien under the age of 18, except for any alien accompanying a parent who is also immigrating to the United States and subject to PP 9945; any alien whose entry would further important United States law enforcement objectives, as determined by the Secretary of State or his designee based on a recommendation from the Attorney General or his designee; or aliens whose entry would be in the national interest, as determined by the Secretary of State or his designee on a case-by-case basis.

Edward J. Ramotowski,

Deputy Assistant Secretary, Visa Services, Bureau of Consular Affairs, Department of State.

BILLING CODE 4710-06-P

DEPARTMENT OF TRANSPORTATION

Federal Railroad Administration

[Docket Number FRA-2019-0087]

Petition for Waiver of Compliance

Under part 211 of title 49 of the Code of Federal Regulations (CFR), this document provides the public notice that on October 16, 2019, the Northeast Illinois Regional Commuter Railroad Corporation (Metra) petitioned the Federal Railroad Administration (FRA) for a waiver of compliance from certain provisions of the Federal railroad safety regulations contained at 49 CFR 236.566, *Locomotive of each train*

operating in train stop, train control or cab signal territory; equipped. FRA assigned the petition Docket Number FRA-2019-0087.

Specifically, Metra requests to operate positive train control (PTC) equipped controlling locomotives with the automatic cab signals (ACS) cut-out. The relief is to be within a PTC revenue service demonstration (RSD) area on the Rock Island District, on which a PTC system (Interoperable Electronic Train Management System) is installed and operative; the PTC system is successfully initialized; and a locomotive engineer trained and qualified in the operation of PTC is present for the operation of the train with the ACS cut-out.

Locations of the requested relief on the Rock Island District are:

- Track No. 1, Westward—MP 14.5 to MP 39.9; Eastward—MP 39.9 to MP 14.5
- Track No. 2, Westward—MP 14.5 to MP 39.9; Eastward—MP 39.9 to MP 14.5
- Main Track, MP 39.9 to 40.2.

If the PTC system fails and/or is cut-out en route, the train crew will cut-in the ACS onboard system, perform a departure test, and if successful, continue the trip through the project limits under ACS operation. If the ACS onboard system cut-in and/or departure test are not completed successfully, the train will continue to operate under the provisions of § 236.567, *Restrictions imposed when device fails and/or is cut out en route.*

Metra notes that the ACS and PTC systems are not integrated on the locomotive, and their concurrent use would be potentially confusing and distracting to the train crew due to differences in the content of their displays, audible and visual alerts provided, and required acknowledgement protocols.

A copy of the petition, as well as any written communications concerning the petition, is available for review online at www.regulations.gov and in person at the U.S. Department of Transportation's Docket Operations Facility, 1200 New Jersey Ave. SE, W12-140, Washington, DC 20590. The Docket Operations Facility is open from 9 a.m. to 5 p.m., Monday through Friday, except Federal Holidays.

Interested parties are invited to participate in these proceedings by submitting written views, data, or comments. FRA does not anticipate scheduling a public hearing in connection with these proceedings since the facts do not appear to warrant a hearing. If any interested parties desire

an opportunity for oral comment and a public hearing, they should notify FRA, in writing, before the end of the comment period and specify the basis for their request.

All communications concerning these proceedings should identify the appropriate docket number and may be submitted by any of the following methods:

- *Website:* <http://www.regulations.gov>. Follow the online instructions for submitting comments.
- *Fax:* 202-493-2251.
- *Mail:* Docket Operations Facility, U.S. Department of Transportation, 1200 New Jersey Ave. SE, W12-140, Washington, DC 20590.
- *Hand Delivery:* 1200 New Jersey Ave. SE, Room W12-140, Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal Holidays.

Communications received by December 16, 2019 will be considered by FRA before final action is taken. Comments received after that date will be considered if practicable.

Anyone can search the electronic form of any written communications and comments received into any of our dockets by the name of the individual submitting the comment (or signing the document, if submitted on behalf of an association, business, labor union, etc.). Under 5 U.S.C. 553(c), DOT solicits comments from the public to better inform its processes. DOT posts these comments, without edit, including any personal information the commenter provides, to www.regulations.gov, as described in the system of records notice (DOT/ALL-14 FDMS), which can be reviewed at www.transportation.gov/privacy.
