**ORDER**

This case was stayed pending final resolution on appeal of Moda Health Plan, Inc. v. United States and Land of Lincoln Mutual Health Insurance Co. v. United States. On April 27, 2020, the Supreme Court issued its decision in Maine Community Health Options v. United States, 140 S. Ct. 1308 (2020), which was consolidated on appeal with Moda and Land of Lincoln.

The government has requested the Court to allow the government an additional forty-five days to consider its position following the Supreme Court's decision, to suspend the date by which the government must respond to any complaint, and to extend the deadline for filing a joint status report until July 13, 2020.

The Court orders that the stay be **LIFTED** in this case. The parties shall file a joint status report by July 13, 2020 proposing further proceedings in this case. During this period of time, the plaintiff may file an amended complaint if it so chooses, but the government's obligation to respond to the plaintiff's complaint or any amended complaint is deferred pending further action by the Court after the joint status report is filed.

**IT IS SO ORDERED.**
