ORDER

On May 12, 2020, plaintiff in the above-captioned case filed a motion to add six new members to the risk corridors class. Plaintiff represents that the proposed class members received a copy of the court-approved notice and executed the required opt-in form (which are attached to plaintiff's motion). Defendant filed a response on May 26, 2020, in which it indicates that it does not oppose plaintiff's motion. Accordingly, plaintiff's motion is **GRANTED**. The following entities shall be included in the risk corridors class:

- Prominence HealthFirst of Texas, Inc. (HIOS ID 37392)
- HealthSpan Inc. (HIOS ID 92036)
- HealthSpan Integrated Care (HIOS ID 20126)
- Presbyterian Insurance Company, Inc. (HIOS ID 52744)
- Geisinger Quality Options, Inc. (HIOS ID 75729)
- Geisinger Health Plan (HIOS ID 22444)

IT IS SO ORDERED.
