## ORDER

On November 16, 2017, defendant filed a consent motion to stay the instant proceedings pending the resolution of relevant litigation now before the Federal Circuit, Land of Lincoln Mutual Health Insurance Company v. United States, Case No. 17-1224, Moda Health Plan, Inc. v. United States, Case No. 17-1994, Blue Cross & Blue Shield of North Carolina v. United States, Case No. 17-2154, or Maine Community Health Options v. United States, Case No. 17-2395 (collectively, the “Federal Circuit risk corridors cases”). See ECF No. 7. According to defendant, a stay would promote efficiency for both the court and the parties given the congruence of the issues raised by each of the cases. See id.

For good cause shown, defendant's motion is **GRANTED**. The clerk's office is directed to **STAY** this matter until further order of the court. Within 14 days of the Federal Circuit publishing a decision in one of the risk corridors cases listed above, the parties are directed to **FILE a joint status report** proposing an agreed-upon schedule for further proceedings in this case.

IT IS SO ORDERED.
