## **ORDER**

In Plaintiffs' Supplemental Reply to Defendants' Opposition (ECF No. 16), Plaintiffs suggest that the appointment of a receiver may be necessary to ensure Defendants comply with its court-ordered obligations in this case. To permit Defendants an opportunity to address whether this is needed, they are directed to file a response explaining whether a monitor would be appropriate in this case no later than June 1, 2021.

Signed this 29th day of May, 2021.
