The defendants move for an initial extension of time of thirty (30) days to file the first brief in these cross-appeals citing the need to consult with affected agencies and multiple scheduling conflicts with other matters. The plaintiffs respond in opposition.

Upon consideration, the motion is **GRANTED**. The first brief is to be submitted to the court by September 29, 2021. Any further request to extend the time to file the brief is highly disfavored. 6 Cir. R. 26(a)(1). A new briefing schedule shall issue separately.
