(III) such data as the Secretary may require on the provision of preschool services in the State.

(d) SUBGRANTS AND CONTRACTS FOR LOCAL PRESCHOOL PROGRAMS.—

(1) SUBGRANTS AND CONTRACTS.—

(A) IN GENERAL.—A State that receives a payment under subsection (c)(2) for a fiscal year shall use amounts provided through the payment to pay the costs of subgrants to, or contracts with, eligible providers to operate universal, high-quality, free, and inclusive preschool programs (which State-funded programs may be referred to in this section as ''local preschool programs'') through the State preschool program in accordance with paragraph (3). A State shall reduce or increase the amounts provided under such subgrants or contracts if needed to adjust for any overpayment or underpayment described in subsection (c)(2)(B)(iv).

(B) AMOUNT.—A State shall award a subgrant or contract under this subsection in a

sufficient amount to enable the eligible provider to operate a local preschool program that meets the requirements of subsection (c)(5)(B), which amount shall reflect variations in the cost of preschool services by geographic area, type of provider, and age of child, and the additional costs associated with providing inclusive preschool services for children with disabilities.

(C) DURATION.—The State shall award a subgrant or contract under this subsection for a period of not less than 3 years, unless the subgrant or contract is terminated or suspended, or the subgrant period is reduced, for cause.

(2) ENHANCED PAYMENTS FOR COMPREHENSIVE SERVICES.—In awarding subgrants or contracts under this subsection and in addition to meeting the requirements of paragraph (1)(B), the State shall award subgrants or contracts with enhanced payments to eligible providers that offer local preschool programs funded under this subsection to a high percentage of low-income children to support comprehensive services.

(3) ESTABLISHING AND EXPANDING UNIVERSAL PRESCHOOL PROGRAMS.—

(A) ESTABLISHING AND EXPANDING UNIVERSAL PRESCHOOL PROGRAMS IN HIGH-NEED COMMUNITIES.—In awarding subgrants or contracts under this subsection, the State shall first prioritize establishing and expanding universal local preschool programs within and across high-need communities by awarding subgrants or contracts to eligible providers operating within and across, or with capacity to operate within and across, such high-need communities. The State shall—

(i) use a research-based methodology approved by the Secretary to identify such high-need communities, as determined by—

(I) the rate of poverty in the community;

(II) rates of access to high-quality preschool within the community; and

(III) other indicators of community need as required by the Secretary; and

(ii) distribute funding for preschool services under this section within such a

high-need community so that a majority of children in the community are offered such preschool services before the State establishes and expands preschool services in communities with lower levels of need.

(B) USE OF FUNDS.—Subgrants or contracts awarded under subparagraph (A) shall be used to enroll and serve children in such a local preschool program involved, including by paying the costs—

(i) of personnel (including classroom and administrative personnel), including compensation and benefits;

(4) ESTABLISHING AND EXPANDING UNIVERSAL PRESCHOOL PROGRAMS IN ADDITIONAL COMMUNITIES.—Once a State that receives a payment under subsection (c)(2) meets the requirements of paragraph (3) with respect to establishing and expanding local preschool programs within and across high-need communities, the State shall use funds from such payment to enroll and serve children in local preschool programs, as described in such paragraph, in additional communities in accordance with the metrics described in paragraph (3)(A)(i). Such funds shall be used for the activities described in clauses (i) through (vi) of paragraph (3)(B).

(e) GRANTS TO LOCALITIES AND HEAD START EXPANSION IN NONPARTICIPATING STATES.—

(1) ELIGIBLE LOCALITY DEFINED.—In this subsection, the term ''eligible locality'' means a city, county, or other unit of general local government, a local educational agency, or a Head Start agency designated under the Head Start Act.

(2) GRANTS TO LOCALITIES.—

(A) IN GENERAL.—The Secretary shall use funds reserved in subsection (b)(2)(F) to award local universal preschool grants, in accordance with rules established by the Secretary, to eligible localities located in States that have not received payments under subsection (c)(2)(A). The Secretary shall award the grants to eligible localities in a State from the allotment made for that State under subparagraph (B). The Secretary shall specify the requirements for an eligible locality to conduct a preschool program under this subsection which shall, to the greatest extent practicable, be consistent with the requirements applicable to States under this section, for a universal, high-quality, free, and inclusive preschool program.

(B) ALLOTMENTS.—For each State described in subparagraph (A), the Secretary shall allot for the State for a fiscal year an amount that bears the same relationship to the funds appropriated under subsection (b)(2)(F) for the fiscal year as the number of children from families with family incomes at or below 200 percent of the poverty line, and who are under the

age of 6, in the State bears to the total number of all such children in all States described in subparagraph (A).

(C) APPLICATION.—To receive a grant from the corresponding State allotment under this subsection, an eligible locality shall submit an application to the Secretary at such time, in such manner, and containing such information as the Secretary may require. The requirements for the application shall, to the greatest extent practicable, be consistent with the State plan requirements applicable to States under this section.

(D) RECOUPMENT OF UNUSED FUNDS.—Notwithstanding any other provision of this section, for each of fiscal years 2023 through 2027, the Secretary shall have the authority to recoup any unused funds allotted under subparagraph (B) for awards under paragraph (3)(A) to Head Start agencies in accordance with paragraph (3).

(3) HEAD START EXPANSION IN NONPARTICIPATING STATES.—

(A) IN GENERAL.—If the Secretary determines that an area of a State described in para-

graph (2)(A) will not be adequately served under this subsection, either because no eligible locality applied to serve the area or because no application submitted by an eligible locality was considered sufficient, then the Secretary shall use funds appropriated under subsection (b)(2)(G) to make an award to a Head Start agency to carry out the purposes of the Head Start Act in that area.

(B) RULE.—For purposes of carrying out the Head Start Act in circumstances not involving awards under this paragraph, funds awarded under subparagraph (A) shall not be included in the calculation of a ''base grant'' as such term is defined in section 640(a)(7)(A) of the Head Start Act (42 U.S.C. 9835(a)(7)(A)).

(4) PRIORITY FOR SERVING UNDERSERVED COMMUNITIES.—In making determinations to award a grant or make an award under this subsection, the Secretary shall give priority to entities serving communities with a high percentage of low-income children as described in subsection (d)(2).

(f) ALLOWABLE SOURCES OF NON-FEDERAL SHARE.—For purposes of calculating the amount of the non-Federal share, as determined under subsection

(c)(2)(B)(iii), relating to a payment under subsection (c)(2)(B), a State's non-Federal share—

(1) may be in cash or in kind, fairly evaluated, including facilities or property, equipment, or services;

(2) shall include any increase in amounts spent by the State to expand half-day kindergarten programs in the State, as of the day before the date of enactment of this Act, into full-day kindergarten programs;

(3) shall not include contributions being used as a non-Federal share or match for another Federal award;

(4) shall be provided from State or local sources, contributions from philanthropy or other private organizations, or a combination of such sources and contributions; and

(5) shall count not more than 100 percent of the State's current spending on prekindergarten programs, calculated as the average amount of such spending by the State for fiscal years 2019, 2020, and 2021, toward the State's non-Federal share.

(g) MAINTENANCE OF EFFORT.—

(1) IN GENERAL.—If a State reduces its combined fiscal effort per child for the State preschool

program (whether a publicly funded preschool program or a program under this section) or through State supplemental assistance funds for Head Start programs assisted under the Head Start Act, or through any State spending on preschool services for any fiscal year that a State receives payments under subsection (c)(2) (referred to in this paragraph as the ''reduction fiscal year'') relative to the previous fiscal year, the Secretary, in collaboration with the Secretary of Education, shall reduce support for such State under such subsection by the same amount as the total reduction in that State fiscal effort for such reduction fiscal year.

(2) WAIVER.—The Secretary, in collaboration with the Secretary of Education, may waive the requirements of paragraph (1) if—

(A) the Secretaries determine that a waiver would be appropriate due to a precipitous decline in the financial resources of a State as a result of unforeseen economic hardship, or a natural disaster, that has necessitated across-the-board reductions in State services during the 5-year period preceding the date of the determination, including for early childhood education programs; or

(B) due to the circumstance of a State requiring reductions in specific programs, including early childhood education programs, the State presents to the Secretaries a justification and demonstration why other programs could not be reduced and how early childhood education programs in the State will not be disproportionately harmed by such State reductions.

(h) SUPPLEMENT NOT SUPPLANT.—Funds received under this section shall be used to supplement and not supplant other Federal, State, and local public funds expended on prekindergarten programs in the State on the date of enactment of this Act.

(i) NONDISCRIMINATION PROVISIONS.—The following provisions of law shall apply to any program or activity that receives funds provided under this section:

(1) Title IX of the Education Amendments of 1972.

(2) Title VI of the Civil Rights Act of 1964.

(3) Section 504 of the Rehabilitation Act of 1973.

(4) The Americans with Disabilities Act of 1990.

(5) Section 654 of the Head Start Act.

(j) MONITORING AND ENFORCEMENT.—

(1) REVIEW OF COMPLIANCE WITH REQUIREMENTS AND STATE PLAN.—The Secretary shall review and monitor compliance of States, territories, Tribal entities, and local entities with this section and State compliance with the State plan described in subsection (c)(5).

(2) ISSUANCE OF RULE.—The Secretary shall establish by rule procedures for—

(A) receiving, processing, and determining the validity of complaints or findings concerning any failure of a State to comply with the State plan or any other requirement of this section;

(B) notifying a State when the Secretary has determined there has been a failure by the State to comply with a requirement of this section; and

(C) imposing sanctions under this subsection for such a failure.
