April 19, 2022

#### VIA CM/ECF

Mr. Michael Gans Clerk of Court U.S. Court of Appeals for the Eighth Circuit Thomas F. Eagleton Federal Courthouse 111 South 10th Street, Room 24.329 St. Louis, MO 63102

RE: State of Missouri v. Yellen, et al., No. 21-2118 Supplemental Authority under Rule 28(j)

Dear Mr. Gans:

After briefing and argument in this case, the U.S. District Court for the Northern District of Texas issued two rulings pertaining to challenges to the Tax Mandate, 42 U.S.C. § 802(c)(2)(A), brought by a coalition of Plaintiff States.

- 1. On March 4, 2022, the Northern District of Texas denied motions to dismiss for want of subject matter jurisdiction and for failure to state a claim. *Texas v. Yellen*, 2022 WL 989733, at \*1 (N.D. Tex. 2022). The court said:
  - Where Congress puts an ambiguous condition on federal funds, like the broad interpretation, States have suffered a cognizable injury since the condition "deprive[s them] from receiving the information which [they are] entitled to under the Constitution." *Id.* at \*6.

- The States suffered a cognizable injury because the broad interpretation is an unconstitutionally coercive condition. *Id.* at \*5.
- The States have pre-enforcement standing. *Id.* at \*6.
- 2. On April 8, 2022, the Northern District of Texas granted the Plaintiff States summary judgment and enjoined enforcement of the Tax Mandate. *Texas v. Yellen*, 2022 WL 1063088, at \*9 (N.D. Tex. 2022). The court held that the broad interpretation of the Tax Mandate "is coercive and commandeers" the States and so exceeds Congress's authority under the Spending Clause and violates the anti-commandeering doctrine. *Id.* at \*6.
