ORDER

On April 4, 2023, Class Counsel and counsel for the United and Kaiser Objectors (“Objectors”) filed a Joint Status Report detailing their separate positions on a schedule for remand proceedings consistent with the Federal Circuit’s January 31, 2023, opinion regarding Class Counsel’s motion for attorney’s fees. Having considered the competing arguments and proposals, the Court **ORDERS** the following schedule:

Class Counsel’s Opening Supplemental Brief on Fee Request	May 2, 2023
Objectors’ Motion for Accounting and Limited Discovery	May 2, 2023

Class Counsel's Response to Objectors' Motion

May 16, 2023

Objectors' Reply In Support of Motion

May 23, 2023

The Court will schedule oral argument on Objectors' motion if it determines a hearing would assist in resolving the issues raised. Upon issuing an order on Objectors' motion, the Court will set deadlines for the remainder of the briefing related to Class Counsel's fee request, allowing three weeks for Objectors' opposition followed by two weeks for Class Counsel's reply.

SO ORDERED.
